Setback Tree Removal

Dear Sir or Madam:

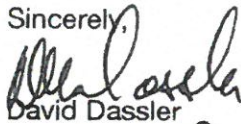

We are the owners of 211 Oliver Road within the City of Santa Barbara and request a permit to remove two trees from our front setback in accordance with the attached Setback Tree Removal Permit. This removal is not associated with any development. The trees are not located in any special district.

The trees appear to be more than 60 years old. They are leaning significantly toward our neighbor's home and also threaten the overhead power lines along our street frontage, as well as, our own home.

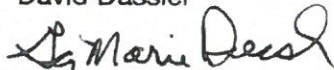

Attached are photos.

We may be reached during business hours at (818)466-8733.

Sincerely,

David Dassler

Gay Marie Dassler
